ABOUT THE *STREET*

Orchard Road had its humble origins as an unnamed country road lined with fruit orchards, nutmeg plantations and pepper farms in the early 1830s. It was home to cemeteries, temples, outdoor hawker centres, wet markets and even an open-air laundry basin.

Today, Orchard Road has been transformed into Singapore's prime tourist magnet - a swanky, tree-lined one-way boulevard flanked by distinctive and iconic shopping malls, restaurants and hotels.

The shopping belt offers nearly 800,000 sqm of retail and dining options to please any taste or budget - from opulent brands to high street fashion, and exclusive restaurants to fast food joints. The 2.88 km thoroughfare is also immaculately landscaped with flowers and greenery, remaining true to its natural roots.

Orchard Road offers the ultimate fashion and lifestyle experience. It is truly *A Great Street*.

ORCHARD **R**OAD **B**USINESS **A**SSOCIATION creates exceptional experiences for every man on the Street through the strategic development of the Orchard Road brand around six brand experience pillars - Shop; Dine; Stay; Play; Work; and Live.

SHOP

The street is flanked with over 20 of the Republic's top shopping malls boasting a high-low mix of retail offerings capable of satiating any desire –little wonder that Orchard Road is widely known as a shopper's paradise.

DINE

Offering a gastronomic array of food to suit the palate and pocket of any shopper, Orchard Road is not only a shopper's haven, but also a foodie's heaven. Choose from quick bites or elegant restaurants which showcase cuisines from all over the world.

STAY

Business travellers and holiday-goers alike will be pleased to discover that the over 10,000 rooms on Orchard Road cater to every purpose and budget. The prime location of Orchard Road's hotels will be appreciated by all, especially shoppers drained after a long day of retail therapy.

PLAY

A host of entertainment choices are offered on Orchard Road. Youth hangout place, *SCAPE, is a space for young people to call their own. The four cineplexes, housing a total of 35 screen halls including the city's first IMAX theatre, feature the latest blockbusters and offer the best movie-going experience in the country. In addition, nightclubs, bars, pubs and lounges contribute to the heart-pumping urban pulse of nightlife along Orchard Road.

WORK & LIVE

The Orchard Road address is also a highly sought-after commodity. The precinct houses an exclusive selection of residential developments occupied by a vibrant community comprising locals and expatriates. It is also the second home to many office-goers.
