CAIQING 2021

Lion and dragon dance performances are allowed to resume, subject to the prevailing Safe Management Measures (SMMs), at permitted venues only:

- In the listed live performance venues in National Arts Council’s (NAC) advisory for the resumption of indoor live performances (such as performing arts venues, community centres and hotel ballrooms); and
- In places of worship as stated in MCCY’s SMMs for Religious Organisations (ROs) in Phase Three [https://cpro.gov.sg](https://cpro.gov.sg).

In addition to the above permitted venues, Caqing will be allowed for the Chinese New Year (CNY) period from 11 to 26 Feb 2021 (16 days) from 10.00am to 10.30pm, at these additional Allowable Venues as part of a closed-door work-related event (i.e. no patrons or visitors):

1. Within premises of an office or factory;
2. Within the office premises of a hotel building;
3. Within premises of a shop in a retail or commercial building.

For avoidance of doubt, outdoor places as well as indoor atriums and common areas (e.g. the lobby of an office building or hotel, shopping mall atrium) are not considered Allowable Venues.

This is subject to the performing troupe obtaining a valid Caqing Permit jointly issued by the People’s Association (PA) and the Singapore Wushu Dragon and Lion Dance Federation (SWDLDF), and complying with the following Safe Management Measures (SMMs):

1. The performing troupe must comprise only up to eight (8) troupe members and up to two (2) Lions. Dragon dance is not allowed, unless the performance falls under the NAC’s advisory for resumption of indoor live performances and MCCY’s SMMs for ROs.

2. The Caqing activity is held within an allowable venue as part of a closed-door (i.e. no patrons or visitors) work-related event based on the prevailing workplace SMMs where:
   a. The number of persons per event must be capped at 50 or a lower number, subject to the venue size and the safe distancing requirement in (b), to limit the risk of exposure to infection;
   b. Attendees must maintain at least 1 metre safe distancing between individual attendees, as per the requirement at the workplace; and
   c. No consumption of food or drinks during the performance.
   d. Attendees are to be masked.

Venue owners/managers that have not been identified as permitted venues may apply to the respective sector lead agencies in the emails found in the NAC advisory.
3. **All troupe members must remain masked at all times, except for the members helming the Lion** while performing the lion dance as it is a form of strenuous exercise.

4. **No “processions”** or use of music instruments (such as cymbals, drums, and gongs) along the way (from one venue to another) is allowed, as these activities tend to draw in crowds.

Participating troupes shall strictly adhere to: (i) the conditions and restrictions associated with the issuance of the Caiqing Permit, and (ii) the prevailing SMMs under the respective COVID-19 Regulations. Offenders shall be prosecuted by law and disciplinary actions from SWDLDF, and be liable to penalties under the COVID-19 Regulations including fines, imprisonment or both. Any organization/instructor who fails to comply with the above-mentioned conditions and restrictions, **shall not be allowed to apply for Caiqing permit for 3 years and will be banned from participating in any activity organized by SWDLDF.** It is the responsibility of each party (i.e. the performing troupe, as well as the hirer and the venue owner/manager) to discharge their respective duties as laid out in the Roles and Responsibilities sections to ensure compliance with the SMMs for the caiqing performance, in line with their legal liabilities outlined in the MOM’s Workplace SMMs.

*Note: Lion and dragon dance performances held in accordance to NAC’s advisory and MCCY’s SMMs for ROs will adhere to the respective stipulated SMMs instead of the SMMs under the Caiqing Permit.*

**Examples of venues where Caiqing is not allowed to take place:**

2. HDB towns, including common areas, shops and coffee shops;
